

The Bargate Quarter viewed from the east of the site

Key benefits of the scheme

Tellon's new vision for the Bargate Quarter will deliver several key benefits and improvements to the area and its economy.

The key benefits are as follows:

New jobs will be created, both during the construction phase, and afterwards

It is the developer's priority to progress construction and deliver the Bargate Quarter project

The scheme will help significantly to meet Southampton's housing targets

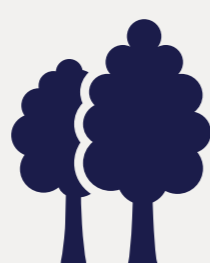

The city's history and heritage, including The Bargate and City Walls, will be enhanced

The development aims to encourage walking, cycling, and greener living

The scheme will feature high-quality design

The scheme aims to improve local biodiversity

More investment will come into Southampton
